

## Sanctuary Renovation Dream List

May 1, 2009

This list was generated at a meeting open to the whole congregation in order to generate a list of potential renovations to the sanctuary. No decisions have been made. The Sanctuary Renovation Team has been formed to assign priorities to these items, get cost estimates, and put together a report for the June, 2009 congregational meeting:

### Roof:

New roofing tiles/shingles  
Skylights  
Solar panels  
Insulation under shingles

### Sanctuary:

Chairs to replace pews  
Labyrinth on the floor  
Leave pews in because of architectural integrity  
Upgrade entire electrical system  
Crying room/nursery  
Refurbish woodwork  
New carpet  
More heat from heating system

### Narthex:

Glass doors on both sets of front doors  
Canopy

### Chancel:

Opening up of the chancel area:

- Take down rails
- Extend chancel area for concerts
- Make in wheel chair accessible

Remove organ (one person)  
Don't remove organ, but move it  
Light up window from outside  
Place cross as a central focus (one person)  
Multimedia capacity – screens/  
Mezzanine in sanctuary

### **Transept**

**Gas Fireplace**

**Comfy chairs**

**Library moved to this area**

**Put pews back in transept as congregation grows**

### **Crawl space**

**Excavate below church and create storage/office space**

### **Kitchen**

**Expand kitchen for potential increased use of sanctuary**

### **Structural Audit**

**Exterior pointing of stonework**

**15<sup>th</sup> Street sidewalk**

### **Memorial Garden**

**Make it more accessible**

### **Additional Space**

**Build two stories above Vestry**

**Build coach house behind Centre for Peace**

**Music Equipment storage area**

**Library**

**More parking for bikes/lockers**

### **Gardening**

**Make water taps more accessible and functionally  
for watering gardens**
